PROJECTS

eventLite (PostgreSQL - AWS - Rails - React)

[Live](#) | [GitHub](#)

Single page app inspired by Eventbrite, employs flux architecture and JSON API

- Establishes user authentication via implementation of BCrypt.
- Leverages event, save, and registration CRUD towards enhancement of user experience through both RESTful and custom routes.
- Stores and uploads images leveraging AWS, increasing app scalability.

MissileDefense (JavaScript - Canvas)

[Live](#) | [GitHub](#)

Platform browser game, players defend their settlements from falling missiles

- Acquires coordinates from on-click listener for pinpoint bullet detonation.
- Leverages setTimeout for regular clearing of objects from play-view.
- Implements HTML Canvas for a smooth user experience.

DOMTime (JavaScript)

[GitHub](#)

Light library built for DOM manipulation, event handling, and AJAX requests

- Leverages a custom selector to wrap elements in the DOMTime API.
- Generates interactive todo-list allowing creation, crossout, and deletion.
- Produces hundreds of randomly colored elements for fun mouseover easel.
- Requests current weather from Open Weather Map through custom AJAX.

EDUCATION

App Academy, New York City, NY

September 2017- November 2017

- A Rigorous 1000-hour software development course with <3% acceptance rate. Topics include: TDD, scalability, algorithms, OOP, coding style, REST, security, single-page apps, and web development best practices.

St. John's College, Annapolis, MD

August 2012 - May 2016 Bachelor of Arts, Liberal Arts - GPA 3.75

- A richly varied curriculum based on the Great Books which focuses on an integrated study of philosophy, science, literature, history, theology, political science, and mathematics through the use of original texts.

EXPERIENCE

Yard Manager, Rental Works of Maryland - Annapolis, MD

June 2016 - December 2016

- Prepared hundreds of machines for operation from 20-15,000 lbs.
- Delivered and retrieved machines around the greater Annapolis and D.C. metro area.

SKILLS

Ruby, Ruby on Rails, RSpec, JQuery, JavaScript, React, Redux, SQL, Git, HTML5, CSS3

ACHIEVEMENTS

Captained the St. John's College Croquet team to the 2016 National Collegiate Six Wicket Croquet Championship and Annapolis Cup.

Trained, planned, and accomplished a 300+ mile journey from St. Augustine to Miami by bicycle.
